Paul

Hi, Are you okay?... Cristina?

Cristina

You kept me thinking all day. You see, I haven't spoken to anyone in months, and I barely know you, and I already need to talk to you. And there's something, the more I think about... the less I understand.

Why the hell did you tell me that you liked me? Answer me because I don't like you saying that at all. You can't just walk up to a woman that you barely know and tell her you like her. You can't. You can't do that. You don't know what she's going through. Or what she's feeling.

(beat)

I'm not married.

Paul

Come here. It's okay.

Cristina

I'm sorry.

Paul

No.

She kisses him... won't let him go.

Paul (con't) Cristina, wait I have to tell you something.

Cristina
(still not letting him go)
Okay.

Paul
(breaking away)
I have to tell you something.

Cristina
Please kiss me.

Paul
Wait Cristina I... Cristina! I have Michael's
Heart.

Cristina
What?

Paul
I have Michael's Heart. You Understand what
I'm saying? It was transplanted into me at
St. Francis Hospital on October 11th.

Cristina
No... No...

Paul
I tried to tell you I just didn't know how
to tell you.

Cristina
How dare you... How dare you.

Paul
Cristina..

Cristina
(hitting him)
How fucking dare you.

Paul
I'm here for a reason.

Cristina
Get out of my house... Don't touch me.
(pushing/ hitting him to the door)
Get out of my house Now! You make me sick.

Paul
I had a reason, Can't you see that?

Cristina
You get out of my... get out of my f***ing house!

Paul
Okay.

Cristina
You make me sick get out!

He Exits...
Few Moments... till she comes out or opens the door and he comes
back in.

Cristina
Why did you look for me?

Paul

Because I needed to.

Cristina

I don't want your pity.

Paul

That wasn't it. I was sick Cristina.

Very sick. I was dying when Michael gave me

His heart. He saved my life. I tried in

Everyway I knew how to find out who had given

Me this heart. And that's how I found out how

He and your daughters had died. And it's very

Painful for me to know how I got this heart.

And I couldn't sleep. I just wanted to thank you.

I wanted to help in some way. I just wanted to

Thank you for... but I couldn't find you. And

Then I saw you that day. And now, I can't be away

from you. I can't. You don't have to be afraid.

You have a good heart.

(beat)

I'm scared too.
